_____ *Spy School Secret Service*

Hardcover \$16.99

Ben goes undercover in the White House to take on a SPYDER operative determined to assassinate the president in this latest addition to the *New York Times* bestselling *Spy School* series.

Thirteen-year-old Ben Ripley has had a lot of field success despite only just beginning his second year at *Spy School*, something graduates rarely experience. But he'd never have survived without the help from experienced agents and his friends.

Now he's been called in on a solo mission--and the fate of the United States of America is on his shoulders alone.

The Mission: Prevent a presidential assassination by infiltrating the White House, and locating the enemy operative. But when the president's son is as helpful as a hamster, and a trained SPYDER agent would never *appear* to be up to something (they're far too clever for that), Ben may be in over his head this time.

And when everything goes wrong, Ben must rely on his *Spy School* friends to save his reputation...but even friends can double-cross or be swayed to the enemy's side.

_____ *Evil Spy School: A Spy School Novel*

And he accepts.

As a new student in SPYDER's evil spy school, which trains kids to become bad guys with classes like *Counter Counterespionage* and *Laying Low 101*, Ben does some secret spying of his own. He's acting as unofficial undercover agent, and it becomes quickly apparent that SPYDER is planning something very big--and very evil.

Ben can tell he's a key part of the plan, but he's not quite sure what the plan *is*. Can Ben figure out what SPYDER is up to--and get word to the good guys without getting caught--before it's too late?
